## MAJOR DELMAR WINS BIG RACE

Takes First and Third Heats, While Sweet Marie Captures Second.

Syracuse, N. Y., Sept. 16.—With ideal weather conditions and a perfect track, a big crowd saw some spectacular racing at the State Fair grounds today.

There were eight starters in the first event, the Chamber of Commerce stakes of \$2,000, for 2-year trotters, the first heat of which proved sensational. At the half all the contenders moved closely together and as they swept around the lower turn it was anyone's race. In a desperate drive Locust Jack nipped the heat by a nose from Daniel, Octo being third, just a fraction back.

The second heat was as sensational as the first, the race home between the leaders being of the nerve-racking sort, with Margaret O. setting a shade the best of it. Margaret O. won the next two heats without much difficulty.

There were three starters in the free-for-all trot for a purse of \$1,500. The first heat was won by Daniel, Octo being second, and Sweet Marie won the second heat, Daniel Octo being third.

The Chamber of Commerce, 2:30 class, trotting, three in five, purse \$2,000—Margaret O. won the second, third and fourth heats in 2:30 1/2, 2:30 1/2, 2:30 1/2. Locust Jack won the first heat in 2:30 1/2. Daniel Octo, Sterling McKinley, Jack Leyburn, Naima and Embay also started.

The Syracuse 2:15 pace, three in five, purse \$1,000—The El won three straight heats in 2:04 1/2, 2:05 1/2, 2:06 1/2. Fred D. George Gano, Major Brino and Hal Hayes also started.

Free-for-all trotting, two in three, purse \$1,500—Major Delmar won the first and third heats in 2:07 1/2, 2:08 1/2. Sweet Marie won the second heat in 2:08 1/2. Octo also started.

2:15, pacing, three in five, purse \$1,200—Dr. Bonney won three straight heats in 2:09 1/2, 2:10 1/2, 2:11 1/2. Gentry's Start, Gentry and Oakland also started.

## BEST TREATMENT FOR CATARRH

The entire inner portion of our bodies is covered with a soft, delicate lining called mucous membrane; this is kept in healthy condition by the nutriment and vital vigor it receives from the blood. So long as the circulation remains pure this membrane will be healthy, but when the blood becomes infected with catarrhal impurities and poisons this inner lining of the body becomes irritated and diseased, and the unpleasant and serious symptoms of Catarrh commence. There is a tight, stuffy feeling in the nose, watery eyes, buzzing noises in the ears, often slight deafness, difficult breathing, etc. The disease cannot be reached by external treatment, though such measures afford temporary relief in some instances. S. S. S. cures Catarrh by cleansing the blood of all impurities and poisons. Then as rich, pure blood circulates through the body, the inflamed, irritated membrane heals, the discharge ceases, headaches are relieved and every symptom disappears. Catarrh, being a disease in which the entire blood circulation is affected, can only be cured by a remedy that goes to the very bottom and removes every particle of the impurity from the blood, and this is just what S. S. S. does. Book on Catarrh and any medical advice free to all who write.
